Quick Start Guide

Read the full instruction manual thoroughly before use. It contains comprehensive usage instructions and important safety advice. This Quick Start Guide only contains basic instructions.

Step 1

Open the lid and fill the kettle with water. Do not fill above the "MAX" line or below the "Min" mark.

Step 2

Position the kettle on the power base and ensure the lid is closed.

Step 3

Plug the kettle base into the power and press the On/Off switch down.

Step 4

The kettle will turn off automatically when the water has boiled.
