Option to select drying time for each program for better energy efficiency

Upside Down Operation
For better reach of control panel when placed on the floor

Double Layer Lint Filter
Removable double layer lint filter for easy cleaning

Wall Mountable
For placement above a washing machine

Quick Set Up

This Quick Start Guide includes only brief instructions. Make sure to read the full manual with comprehensive installation and operating instructions and general advice on tumble drying.

Step 1

Place items into the dryer one at a time, sorted into similar colours and fabrics, with small or delicate items placed into a mesh bag.

Step 2

Select 'Low' heat for delicate items or 'High' for bulky items or large quantities.

Cool: Use for 0-20 minutes to help prevent creasing and cool the items just dried.

Mild Dry: Use for 30-60 minutes on 'Low' for items that are difficult to iron.

Extra Dry: Use for at least 150 minutes on 'High' for large quantities or bulky items.

Air Dry: Use for airing items without heat.

Step 3

Set an appropriate drying time and press the Start button.

Step 4

At the end of the program, turn the program selector knob to 'Off' to switch off the dryer.

Model Number	GYJ45-68
Colour	White
Drying Capacity	4.5kg
Dimensions	600(d) x 435(w) x 700(h)mm
Warranty	3 Years In Home
Version Number	QSG-V3.0
