Quick Set-Up:

Assembly

Step 1: Insert the flexible hose into the hose connection inlet. Press the hose into the unit until it clicks into lock position.

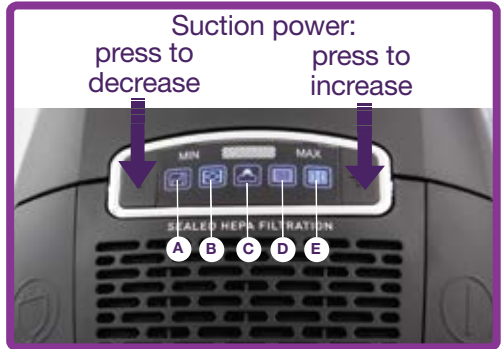

Step 2: Push the handle into the upper end of the telescopic tube.

Control panel

- (A) Upholstery, curtains and other soft furnishings
- (B) Cushions, rugs and runners.
- (C) Daily vacuuming
- (D) Lightly soiled rugs, fitted carpets and hard floors.
- (E) Heavily soiled rugs, fitted carpets and hard floors, thorough carpet cleaning

To select a power setting, press the (-) or (+) button repeatedly until the desired setting lights up on the suction power display.

Accessories

Turbo brush: Suitable for thorough cleaning of carpeted areas.

Crevice tool: Designed for cleaning in hard to reach places, such as in between furniture.

Brush tool: Suitable for dusting furniture.
