

# STIRLING®

## 46 BOTTLE WINE FRIDGE

Single temperature zone  
5-18° temperature range

### Features:

#### 46 Bottle Capacity

Designed for the budding wine enthusiast, this wine fridge holds 46 standard 750mL (Bordeaux-style) wine bottles.

#### Single Temperature Zone

Maintains your wine at the appropriate serving temperature recommended for sparkling (5-9°C), white (9-14°C) or red wine (15-18°C).

#### Dual Layered Glass Door

The dual layered glass door sustains the temperature inside the cabinet and keeps condensation to a minimum.

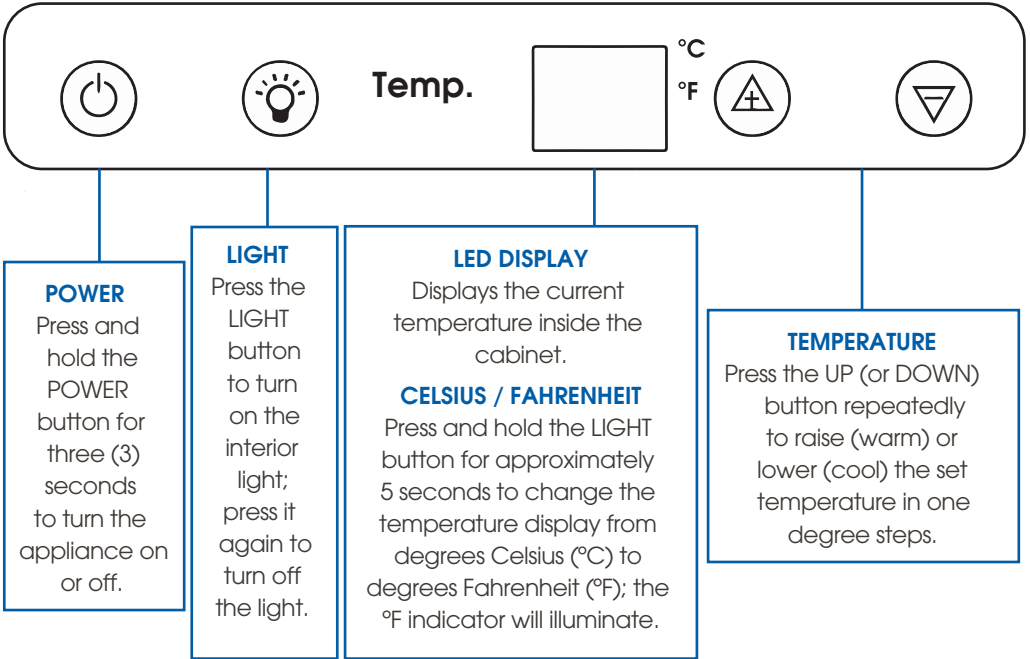

#### Anti-vibration

Designed with anti-vibration gaskets under the compressor to keep your wine in optimum condition for long-term storage.

# Quick Start Guide

Read the full instruction manual before use. It contains important safety advice and comprehensive installation and usage instructions. This Quick Start Guide only contains a brief description of the control panel buttons.

## Control Panel
